If a family resides **less** than 100 miles away from the offices of Illini Christian Ministries, their fees will fall under Area A. If a family resides **more** than 100 miles away from the offices of Illini Christian Ministries, their fees will fall under Area B.

**The Post Adoption Visit and Report fees, as well as the Court Report fees, vary dependent upon the number of children adopted at one time. It is required that a report be submitted for each child. The initial fee for one child is \$400.00 or \$500.00. For each additional child, an additional \$150.00 fee is assessed.

***Birth Mother Expenses are living expenses that are covered for the birth mother during her pregnancy. They include such items as rent, utilities, phone bill, maternity clothing, etc. The amount varies because it is dependent upon the needs of the birth mother. The birth mother expenses are discussed with the potential adoptive family prior to referral.
